WANT TO SEE MORE DOUBLE D'S? OR GIRLS IN TROUBLE WITH BEES? WRITE IN AND TELL US…

CONNY CONUNDRUM

Dear *MensWorld*

I've got three questions for you.

1. Is it my imagination, or is Conny from issue Vol. 22 Issue 1 actually getting even more gorgeous with each appearance?
2. How is that possible?!
3. Please Sir, can I have some more?

Congrats on another great issue!

Jonathan, Email

Well the answers to those questions are fairly simple – yes, don't know and a resounding yes! Conny's one of the girls who we get the most fanmail for here at MensWorld, with her legion of devotees waxing lyrical about her big boobs and beautifully rounded bum.

Far from readers getting fed up with her because she's been in the magazine a few times, we seem to get more letters and emails for her after every appearance she makes, and she's told us in the past that it's this appreciation that spurs her on to better performances for each shoot. Essentially, she wants to please her fans, and you can't say fairer than that.

Keep the fanmail coming and Conny will keep coming back to MensWorld, better than ever before!

LUV CALI

The brunettes were definitely on form in *MensWorld* Vol. 22 Issue 1, with Conny, Anetta, Priya, Nat and those two horny lezzers Andie and Natasha gracing the pages. However, the best of the bunch in my opinion was a girl who I believe I've never seen in the magazine before – Cali Luv.

You said in the words that accompanied her set that she's pretty new to the business and

MILO'S BETTER

I thought Codi Milo looked incredible in *MensWorld* 22-1 – it's been such a long time since I've seen her in any top-shelf magazine. Is she back on the scene for good now? I hope so, because if that shoot is anything to go by she looks just as hot as the last time I saw her in *MensWorld* a few years ago.

However, I do have one general quibble – it never ceases to amaze me how much weird stuff gets crammed into the background of these girlsets.

There was an antique globe, a brass treasure chest, some weird ornamental tapestry… I was checking Codi out and I kept noticing these strange items of furniture over her shoulder and next to her bum – it was a little bit distracting!

Please could you get Codi back and shoot her on a set that best highlights her big tits, great legs and beautiful arse? A plain white or light blue background would be fine by me, just so nothing detracts from her stunning body.

Listen, am I being weird or do other readers get a bit annoyed with some of these cluttered sets?

Mark, Chesterfield

Mark, we do actually get a lot of letters commenting on the backgrounds that some of our photographers use. For me, the resurgent Codi looked like she was in the living room of a bizarre stately home, but if it's the difference between us running a set of the gorgeous Codi Milo or not bothering at all, then surely you'd rather we went with the girl?

We will have a word with some of our snappers about getting carried away with their creative muse or simply shooting girls in the cluttered old 'country pile', but we don't want to have them just using generic blank backgrounds all the time, even if it does show the models off best. Do you prefer your sets with or without antique globes? Let us know!

is all set to become a big star in the American porn industry, which is obviously great news in that we should get to see a lot more of her gorgeous all-natural body.

Just one thing though, could you get in touch with her and tell her never to get those beautiful tits of hers enlarged like all the other yank pornstars seem to do? And while you're at it you can ask her if she'll do another shoot for *MensWorld*. I'd much rather see her in a magazine spread than getting banged in some porn movie – I'm happier imagining myself doing that!

Keep up the good work.

Tim, Berwick

Yes, the gorgeous brunettes were definitely out in force for 22-1. We figured that with our 'all blonde' issue the month before that we'd better do something to level things out. Personally, I thought that it was the best line-up of darker-haired girls that I've ever seen in the magazine, with a great blend of pornstars, established models and some newcomers.

The only problem with Cali Luv is that she won't stay in that newcomer category for long. Indeed, she's already been swept up into the maelstrom that is the American porn business, and the trick now is getting her to free up some space in that busy schedule of hers to do another shoot for MensWorld.

As for her tits, I doubt we hold much sway over her decisions as far as those two beauties are concerned. But we agree, Tim, that it would be a travesty if she had them 'done', as they say. Maybe we could look after them for her...

Incredibly hot English girls aren't that easy to come by in the world of porn at the moment, so you can imagine how happy we were when we stumbled upon Sasha, a Brighton babe who is currently on a one woman crusade to stiffen the cock of every red-blooded man across this proud nation.

We flew a St. George's Cross bearing her name from the window and belted out the National Anthem in a spontaneous display of patriotism, and when we later found out that Sasha is actually half-Mauritian we simply chose to ignore it. One of our own – brings a tear to your eye, doesn't it?

REAM SERVICE!

I have this thing about getting fucked in hotel rooms. I'm not talking about checking in with a girl and banging her silly for the night. No, what I'm on about is screwing hotel staff – I mean those little sorts that service the rooms. While most people might find their starchy uniforms a real turn-off, I really get turned on by the contrast between them and what's underneath them. Whenever I see a promising example, I always mentally undress her, and imagine her with my cock wedged down her throat, or me buried up to my nuts in her pussy. About a month ago I had what turned out to be my best encounter to date with one such female.

Having checked in, I went up to my room, showered and put on the complimentary bathrobe. Then I flicked on the porn channel and started slowly stroking my cock. It was rock-hard in seconds, so I called room service and ordered something light. I wasn't hungry for food – it was cunt that I craved. I continued massaging my tool until there was a knock on the door followed by, "Room service."

SHE SUCKED ON IT HARD AND LONG, WHICH FELT FUCKING AMAZING

Holding the robe closed, I answered the door to a sexy dark-haired girl holding a small tray of sandwiches. "Come in," I said. "Just drop them down on the table, please." The maid did as I asked, and when she turned around I thought her eyes were going to pop out of their sockets. "Oh sir!" she exclaimed.

Silly me – I'd let my robe fall open, and my fat, swollen cock was jutting out of it. "Oh, I beg your pardon," I said, putting on a show of struggling to cover myself up.

"No," said the maid. "It would be a shame to hide such a magnificent specimen." She pushed past me and closed the door. "Lie on the bed and lose the robe," she ordered. When I did so, the maid crammed my cock into her mouth. She sucked on it hard and long, which felt so fucking amazing.

Still sucking my stiffy, she somehow managed to wriggle out of her uniform, revealing that she'd been stark naked underneath. I grabbed her swinging tits and started tugging hard on her nipples. Ms. Maid gave great head, and it wasn't long before I felt the sap rising inside me. I let out a low moan, to which she reacted by whipping my dick from her mouth just in time for me to spray her tits with my jizz.

When she went off to the bathroom to clean up, I thought we were done, and in my head I chalked up another one. But there was more to come. "You seemed to enjoy that," the sassy minx told me on her return to the bedside. "Well, that was just your starter," she said. "The main course is about to be served right now." The brunette goddess hopped up onto the bed and pulled herself up on all fours. Then she started shaking her arse and bucking her hips, smiling all the time she did so. "Come on then, stud," she said. "Slam your meat inside me!"

I got on my knees behind her and grabbed her by the hips. Then I pulled her backwards until the head of my cock was bumping against her sticky mound. When she pushed backwards sharply, the head popped inside her. She was warm and so, so wet. Then she pushed back again and completely engulfed my bone with her box. That was when I really went to work on the filthy girl.

First I reached around to squeeze her

nipples, then I grabbed her hips again and started slamming in and out of her gash. Her twat was so smooth it felt as though my cock was wrapped in wet velvet, and the horniest sensations started shooting through my body like an electric shock. That made me drill her harder and deeper, faster and wilder. Before long I was on the brink of unleashing my load. Seconds later I did, deep inside the maid's cunt.

As the last few drops splattered her insides she started trembling all over. Then the strangest thing happened. Her entire body went stiff for a moment, then she slid off my hard dick, releasing a stream of warm cunt juice from her gaping hole. Now that's what I call good service!

ALL ABOUT EVIE

I was intending to write to my ex-boyfriend, telling him all about my new friend Evie. Adam would have liked Evie – her pale skin and long jet-black hair, her firm tits and svelte waist mushrooming into a curvy arse. Yes, he would have liked to have stuck his dirty double-dealing dick deep into that bum. Then I decided not to waste any more precious pussy juice on him, and resolved instead to let the whole world know about Evie – starting with you lot!

Evie was my first ever internet date. Having made friends on a social networking site, we'd arranged to meet up at a gig in the real world. Our motives weren't sexual, but as soon as I met her, I felt my inhibitions melting. Evie was a lot of fun. She made me feel better about myself, and even didn't mind me bitching about Adam.

Evie looked electric in her low-rider jeans and semi-transparent crop top, while I'd resorted to rock chick chic with a leather micro-skirt and fishnet stockings. Slamming tequilas, we looked like we could take on the world. Evie's passion, she explained, was 'slash fiction' – erotic stories using characters from popular books or TV shows. Bisexual, she told me: "Everything's up for grabs!" Evie certainly had a filthy imagination. As she talked about the men in the band, the tequila was giving me hallucinations of four grungy blokes gangbanging her. I felt dizzy and horny, and was only too pleased to be invited back to Evie's flat.

"Amazing," was how Evie described the DVD I just had to see, and amazing it was! Evie was a star! There she was, on screen, on her back, legs spread-eagled, stroking herself as she sucked on a dildo. There she was, the same fit girl who was sitting next to me on the sofa, her hand resting on my fishnetted thighs.

"It makes me so horny seeing myself on video," she purred as my knickers filled up with pussy cream. "Mmm – want to play?" she asked as her hand slid up my leg. I groaned as I parted my legs. With her hand pressed against the V of my pants, our lips collided, and we began to devour each other.

Evie told me how beautiful I was, and convinced me by ripping a hole in my fishnet stockings. Her fingers bypassed the soggy crotch of my black mesh knickers, the ones with the pink trim that Adam had given me on the first night he gave me my anal wings. "I'll make you forget all about cock," she hissed as her fingers churned my twat.

When she withdrew her hand from my pussy, she licked my cunt cream from her fingers as I unfastened her bra. Her tits were gorgeous. I cupped them in my hands, then buried my face in her cleavage. Her nipples stiffened in my mouth. "It's bedtime," she panted.

Throwing me onto the bed, Evie stripped off her jeans, flashing a thong that had more or less disappeared up her arse crack. I wriggled out of my dress as Evie tugged at the remains of my torn fishnets before lasciviously peeling my pants down my thighs. I spread my pussy lips. I wanted her badly.

Evie crawled between my open legs and began to go to work on my minge, her tongue teasing my clit from its hood, then down she went into the depths of my swollen vulva. Starting to writhe, I

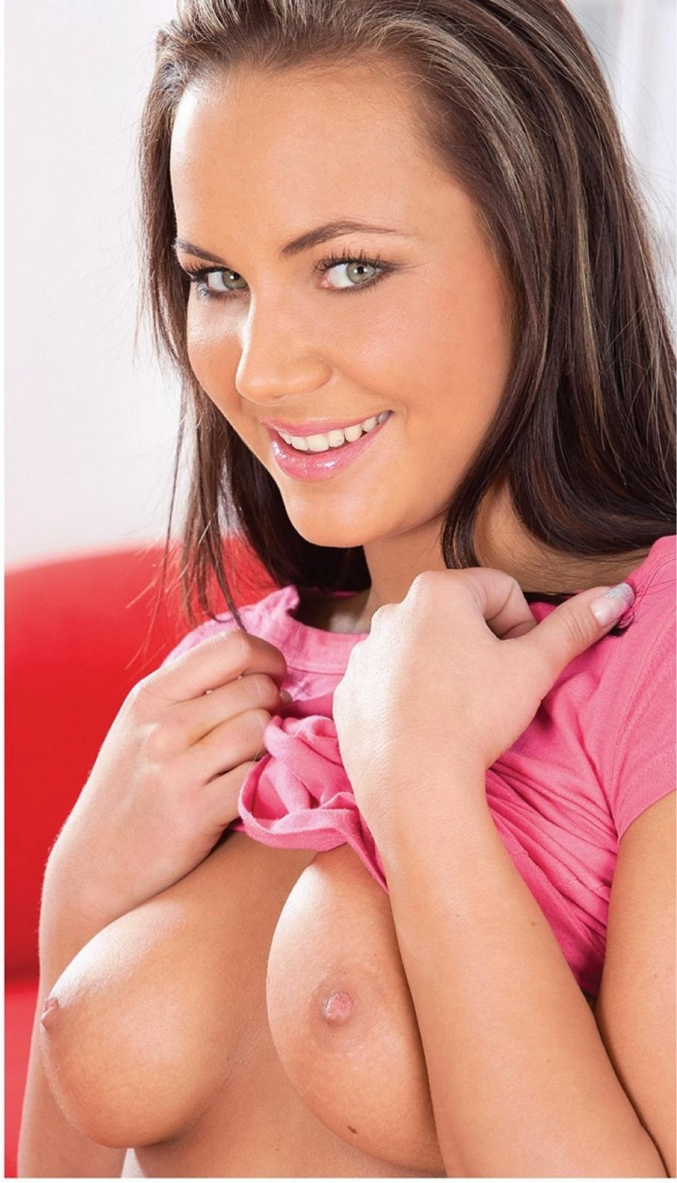
NATALY

PHOTOGRAPHY: SCOTT WARD



So why does Nataly spell her name like that? Why doesn't she just spell it Natalie, as is the norm?

To be honest with you, I haven't got a fucking clue, but if she keeps getting those gorgeous tits of hers out for our viewing pleasure then she can basically spell it any which way she pleases.

And if she wants to continue showing us her lovely, rounded bottom and neatly-shaven pussy then she can call herself Kenneth, or even Trevor, for all we care – it's all good with us.

Thinking about it, Nataly probably spells her name that way to make sure she stands out from the numerous Natalies and Natalias that currently ply their trade in the adult business, but she really needn't have bothered.

With her pretty face and cock-stiffening body, something tells me this girl will be etched in the hearts and minds of *MensWorld* readers for a long time to come…

CARRY ON CAMPUS

Our US scuzz movie correspondent Renee Preston is plaid to the bone as she joins Kayden Kross and her cock-starved college mates on set…

Brooke Lee Adams feels Talon's claw!

Kayden's College Tails
Starring: Kayden Kross, Charley Chase, Brooke Lee Adams, Alanah Rae, Toni Ribas, James Deen, Talon, Chris Johnson, Rocco Reed.
Directed By: Andre Madness.
Available From: Adam & Eve Pictures.

The image of sexy college girls has always been a recurring favourite and constant staple in most male driven fantasies. The thought of short pleated skirts, knee-high socks, and perfectly ripe tits jutting through college sweaters or cotton blouses has enough visual impact to keep your flagpole raised and your pencil sharp. This fantasy becomes exponentially more explosive once four horny college co-eds, led by former Adam & Eve contract starlet Kayden Kross, are placed in a bustling production studio. Giggling in every corner and in various stages of dress and undress, their anticipation for cock is palpable.

With racks of sexy clothing and the aroma of peach scented lotion filling the room, the girls can't resist warming each other up with playful kisses while they wait. This is precisely the scenario I walk into when first entering the set of Andre Madness' newest skin flick for Adam & Eve Pictures called *Kayden's College Tails*. In this wall-to-wall production, Madness has chosen to do away with heavy dialogue in lieu of hot couple's sex, which proves to be a winning combination. "These girls are amazing performers and their sexual skills speak for themselves," he says while setting me up in a comfortable chair next to him to witness the first scene of the day. Our conversation is soon interrupted when Charley Chase, looking every bit like every man's fantasy, walks onto set. Our lust for her is obvious, as the entire room becomes silent and entranced. "Hmm, that good?" she smirks while flipping up the edges of her blue skirt to show off her amazing ass before turning back around to give us a look inside of her pink pussy flaps.

As she kneels down on the couch to spread herself open in doggie, Rocco Reed appears on the set. He bum rushes Charley from behind, landing smack down in the middle of her arse. With wild slurping sounds and Charley's constant squealing, it becomes quite evident that both Rocco and Charley have a kinky addiction for anal academics. "Stick that tongue inside my asshole!" she begs, as she continues to coat his mouth with her delicious butt broth.

Once she is momentarily sated, Charley pulls Rocco's rod from his pants and begins to salivate and suck on his stick from top to bottom. With Grade-A oral skills, Rocco has no choice but to grab a hold of the leather sofa

and take her oral punishment. "You're the best fucking cocksucker ever!" he remarks, while she continues to fondle his wet balls with her webbed fingers that are dripping with saliva. "What can I say? I love to suck me some dick," she responds, while going in deeper to curve her tongue around his dangling nutsac.

Now with a noticeable puddle of pussy pulp, Charley springboards onto Rocco's lap in cowgirl position, riding him hard. Grabbing the curves of her hips, Rocco power pumps Charley from underneath, smacking the chilli pepper tattoo on her arse before the couch actually breaks! When it turns out to be nothing more than a cushion malfunction, the fuckers continue on with wooden reinforcements under the metal legs to keep the sofa from skating across the floor. Now back in action and with a sturdy work surface, they are both able to cum hard, ending the scene in style. As they lay in their sticky mess, Andre rises to his feet and says, "Can someone please give this girl a bottle of water!" Yeah, it's that hot!

Up next and eager to earn some extra credit, Kayden Kross walks onto set looking beautifully studious in a plaid skirt and knee socks with her blonde hair neatly arranged in a perky up-do. Looking around for props to play with, Kayden settles on a stack of old books that she later poses on top of. With her legs spread wide, Kayden flashes her hairless hole in James Deen's direction. Overcome by the sight of the top-notch pussy, that he is moments away from tasting and touching, James pulls out his cock and begins to stroke it up while Kayden continues to tease.

Once given the thumbs-up by Madness, James calls out, "Kayden, you are all mine!" Music to Kayden's ears, she falls onto her knees to take back all eight inches of James' stiff ruler. Masterfully manipulating his cock and balls with her hands and mouth, Kayden proves to be an expert in multitasking as she continues to blow.

"You just sit back and enjoy my ride," she later responds as she pushes James onto a beige sofa to test him out in cowgirl position. With her tits bouncing in his face, James allows Kayden to control this scene for a solid ten minutes before picking her up and resting her on her back to continue on in mish.

By now, her perfectly tanned body is glistening with sweat under all of the studio lights and her pussy is virtually a puddle of goo. "Fuck me any way you'd like," she purrs.

"Great energy!" Madness calls out, as

Kayden leans onto her elbows to watch James' cock move in and out of her. "It's so good!" she repeatedly sighs, right before James sets her up in front of him and glazes her cupcakes with loads of his homemade frosting. Delicious!

Alanah Rae, the chestiest schoolgirl of the bunch, is up next. Like the two that came before, Alanah makes it quite clear that she has come here to fuck. Thankfully, Madness has cast her alongside Chris Johnson, a man who clearly has the skills to help our kinky co-ed. Eager to set her tits free from the confines of a tight blouse that is practically screaming at the seams, Chris yanks Alanah's top open and dredges his head between her melons. She squeezes the sides of her chest meat together, until his face turns beat red. After a few moments, he taps himself out on the row of aluminium chairs in a desperate attempt of filling his lungs with oxygen. "Suck my nipples!" she later insists, as we quickly discover that this naughty schoolgirl may not be so nice.

HER MOUTH DRIPPING, KAYDEN POLISHES HIS COCK TO A SHINY LUSTRE

After enough of her smack talk, Chris silences her potty mouth by plopping his cock in her mouth. "Shut up and suck!" he commands, as she dribbles spit stringers across his shaft and over his balls. Obviously aroused by having a cock dangling from her lips, Alanah fights for dominance once again by parking herself on top of Chris in reverse cowgirl. With the camera inches away from the action, the lens quickly fills up with the image of Alanah's hefty hooters flopping in the wind. "You like watching me get fucked?" she feverishly mouths as Chris continues to drill her hole from underneath.

After several more positions, including an incredibly hot standing doggie display that has Alanah sinking her claws into the walls, Chris spews his spunk over her sacks and says, "You've graduated and are now the head of the class."

With such an incredibly hot scene to follow, Brooke Lee Adams certainly has some stiff saddle shoes to fill. Luckily for us, she's brought her A-game. Seemingly entranced by Talon's muscles and hard cock, Brooke is hot on the scene before the lighting crew has even finished. "I just want to get fucked," she proclaims, as the cameraman has no choice but to follow her lead.

After skipping lunch, Brooke is quick to fill up on cock meat as she practically tries to ingest Talon's claw. He grabs his cock at the base and later smacks it over her face before allowing her pussy time to play. "You'll get it… eventually," he teases, as her face begins to redden with anticipation.

After his dick has been dangled in front of her one too many times, Brooke sits on the desk and parks her leg over his shoulder. "Now!" she mouths, in a tone that means she's done fucking around. Finally, Talon answers her call of booty by slapping his cock into her silky slit. Locking her legs around his back, she grinds her collegiate cunt into his groin until the desk is saturated with her pussy butter. "Now, this is much better," she sighs.

The two go at it, twisting into and out of interesting positions, for what seems like hours before Talon douses the fire between her legs with splashes from his hose. "Now that was a hot scene!" Madness applauds.

The day ends with Toni Ribas fucking the living daylights out of Kayden Kross. This comes as no surprise, since Toni has had a raging boner for this girl ever since he stepped foot in the studio several hours ago. "She is my exact type!" he confides, followed by, "Today should not be considered work but a privilege."

Just as horny for him as he is for her, Kayden is the first one on set. Already positioned on her knees, Toni just walks right up and shoves his stick into her mouth. With her eyes watering and her mouth dripping, Kayden polishes his cock to a shiny lustre before being swept off her feet literally to be cleaned out by his tongue. "You taste so fucking sweet," he says in his sexy Spanish accent, as chill bumps cover her perfect frame and beaver balm coats his lips.

From here on out, the two go at each other like dogs in heat, with Toni trying out Kayden's pussy from every conceivable angle. The final pop to her puss makes for the perfect ending to a fabulous day on set.

So if you're in the mood for a little extra curricular activity and wouldn't mind spraying your load over a pleated skirt or two, *Kayden's College Tails* is the movie for you. With four hot babes working overtime to earn top grades in the school of hard cocks, who could resist such a tempting display?

JANA
& NATASHA

PHOTOGRAPHY: MAKLIN

With the great *MensWorld* 'set background' argument currently raging on our 'Let's Have Some' letters pages, this one is surely going to fan the flames of an already searing hot debate.

The bright orange couch is admittedly a complete and utter shocker, and the 80's two-tone wallpaper situation with central banner sure to raise the heckles of those who prefer their backgrounds plain and simple. As for the mushy pea coloured carpet and that seemingly purposeless wrought iron frame and curtain set-up, well I dread to think. To be honest, even we're beginning to wonder who would deliberately decorate a room like this.

But what do you do when you're offered images of two gorgeous blondes like Jana and Natasha lezzing off? Shit decor or otherwise, we reckon you've just got to run with it. Naturally, your opinions would be appreciated…

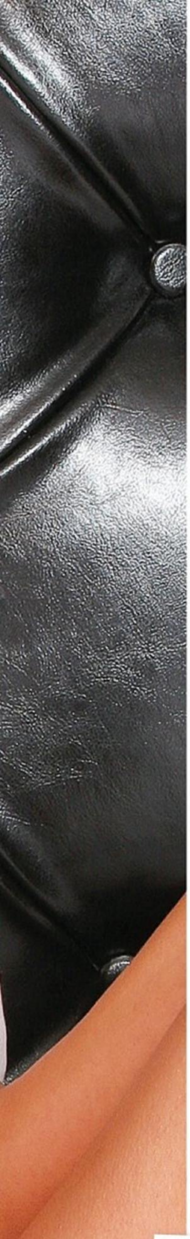
SUSANNA

PHOTOGRAPHY: EXPOSUREZONE

HARDCORE VIDEO
WWW.PAULRAYMOND.COM/MENSWORLD



Anyone who has been enjoying top-shelf magazines over the last few years or so will be more than familiar with Susanna, a busty, blonde beauty who had a brief fling with Page 3 before deciding to go one step further and reveal all for those of us who like our gorgeous girls to be just that little bit ruder.

Yes, with a body that almost looks as though it was made for being topless in a tabloid, Susanna could've easily made a decent career out of getting her tits out for the likes of *The Sun* and *The Star* and doing soft shoots for the 'Lads' Mags', and you've got to give credit to her for being a sport and showing us the parts that we would never had the pleasure of seeing had she the precious attitude of some of the other middle-shelf girls.

Alas, Susanna's showings in *MensWorld* have been few and far between, but we think she's gone some way to make up for her dearth of shoots for us with this very natural display.

When we asked her if she'd make up things to us further with another appearance in the magazine very soon, she simply smiled and said: "I'd love to! Do you think the readers would like it if I brought my stockings and suspenders next time?" Well, would you?

RULES OF MAN

ARE YOU A MAN? YES, BUT ARE YOU A REAL MAN? DO YOU SPEND YOUR SUNDAYS WATCHING SNOOKER, DRINKING BEER AND HITTING NAILS INTO BITS OF WOOD? ARE YOU AS AT HOME IN A CAR SHOWROOM AS A LAPDANCE CLUB? FOR GOD'S SAKE, DO YOU EVEN KNOW HOW MANY MILES YOU GET TO THE GALLON? COME ON MAN, GET YOURSELF SORTED. THESE ARE THE RULES THAT DEFINE A MAN, MAKE SURE YOU OBSERVE THEM... CAREFULLY!

Pulling a Sickie

Holding down a regular job can be a monotonous business, and every now and again you might feel the need to take a 'duvet day', or spend some time checking the quality of daytime TV. After all, it's vitally important every now and again to get a fuller picture of what they're spunking our license fee on, I think you'll agree.

However, taking a sick day isn't always as easy as it first seems, even if you're genuinely ill. Indeed, with all the phonecalls, acting, general bullshitting, forms to fill in afterwards, not to mention the threat of disciplinary action if you get any part of this strict procedure slightly wrong, it's often much less stressful to just go to work in the first place.

Choice of illness is crucial. Everyone knows that flu symptoms affect men much worse than they do women, so that's always a trusty option. And then there's the all-important phone call to Personnel. Always ring half-an-hour before you would ordinarily start work and cough pathetically at least twice and snuffle once before talking in the gruffest and phlegmiest voice you can muster. Never, ever under any circumstances be tempted to leave an answer phone message. If Personnel are deprived of the opportunity to deadpan a strangely guilt and worry inducing, 'Okay, thanks for letting us know', then much worse will be waiting for you when you return to work, most likely in the form of a patronising lecture and perhaps even a verbal warning.

By now you've definitely earned your day of leisure, although the rules of the sick day dictate that you can't leave the house, even if you are perfectly healthy. Indeed, to ease your conscience, it might be a good idea at this point to actually pretend that you feel unwell. Perhaps text a gossipy workmate and tell them you've just puked on the cat.

Because sickies are such a contraband indulgence, expect them to fly by at approximately six times the speed of a normal day. In no time *Wogan's Perfect Recall* and *Eggheads* will be on; your hard fought shift of rest and relaxation effectively over.

If you live with a wife or partner, don't expect to be able to trick her into believing you're ill and to wait on you hand and foot all evening with bowls of chicken soup and such like. Let's face it: she probably wouldn't do this even if you were at death's door.

After a late night playing Xbox or watching rubbish on TV, your eyes should be suitably baggy enough to at least give the impression at work the next day that you've been unwell, and regular blowing of the nose and coughing will help, too, particularly when you're handing in your sick form to the dragons in Personnel.

Make them so scared of catching your 'flu germs' that they definitely won't want to discuss this 'unfortunate blot on your sick record'. Not this time, anyway...

Can't Cook? Don't Cook.

These days, you really can't get away from cookery programmes on the telly, and most of them are fronted by blokes – cunts with Michelin stars coming out of their ears who think it's okay to hector people into preparing food from scratch with organic and ethically sourced ingredients like risottos, soups, pasta dishes and fancy sauces. I mean, what went wrong with the simple supermarket ready meal? Remove sleeve, pierce lid, microwave for two minutes – done.

The problem with the likes of Gordon Ramsey, Marco Pierre White, Jamie Oliver, and any number of other stove bullies that have become almost omnipresent on our TV screens is that women seem to love watching them, and you can guarantee that during any one of these programmes they will ask you that question: Why can you not cook like him? I'd have thought the answer to that one was fairly obvious – laziness, ignorance, lack of ability and the fact that I have to work for a living – but it doesn't stop her asking it constantly and expecting you to muck in when she's laboriously trying to emulate some complicated dish that Ramsay knocked up in about two minutes on *The F Word*.

There's only one way to nip this in the bud. Watch a bunch of cookery programmes with the missus, diligently jot down a handful of elaborate recipes, and then offer to rustle up the evening meal for a whole week. After she's accepted with the inevitable mixture of surprise and shock, hit the organic shelves in your local supermarket and gather together a raft of expensive ingredients, before systematically working your way through the recipes day by day and completely massacring every single one of them.

YOU WON'T HAVE TO EAT YOUR ABJECT CREATIONS FOR LONG

Take care to weld the risotto to the pan, boil the pasta until it's a hideous mush, put too much salt in the sauce and splash it all over the hob, and be sure to overcook any meat products until you can say you've given the poor animal its belated cremation.

Finally, whack the dish on a plate and place it on the table with a hearty exclamation such as: "Da da! Dinner is served!" before sitting down and pretending to enjoy every mouthful. At the end of the meal you could even say something like: "I'm really taking to this cooking lark, what do you think Love?"

Don't worry, because you won't have to eat your abject creations for more than a few days or so. Out of pity and fear of being cruel, she won't want to criticise your efforts, and before the week is out she'll be offering to do the cooking to 'Give you a break'. Look sorry for yourself, reluctantly agree, sit down and read the paper – done!

CINDY

PHOTOGRAPHY: HICKS

Porn is a funny old business. Some girls get into the industry and rocket to the top of the game in a matter of months, whereas with others it can take quite a while before they get the recognition they deserve.

After spending a full two years making mucky movies with the likes of Private and Vivid, it only now seems that Hungarian hottie Cindy Hope is staking her claim to be up there amongst the cream of the porn crop, but with her stunning looks and all round perkiness, why has it taken so long?

"I guess I've struggled to find my feet and get my image right," she told us during a post-shoot chat. "There was a time when everyone wanted me to be all teeny and cute, but now I'm getting the opportunity to look glamorous and sexy. It's much more me."

And, of course, we agreed. Indeed, it seems like everything is in place for a big 2010 for Cindy and her hot new image, but will she find room in her busy schedule to do another shoot for *MensWorld*?

"Of course!" she said with a smile. "Well, as long as your readers send me lots of nice letters!"

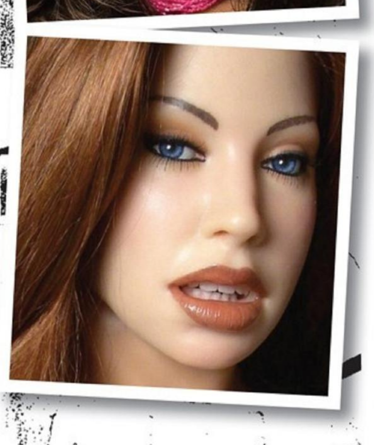
THE WEIRD WORLD OF PORN

FORGOT THOSE BLOW-UP DOLLS, PORN STARS MARY CAREY AND SAMANTHA RYAN CHECK OUT REALDOLLS, THE MOST REALISTIC CLONE CLUMP ON THE MARKET...



Did you ever dream about 'building' your own woman? From scratch putting together your personal perfect babe from toe to tit created along the exact erotic specifications you prefer? Tight pussy, perky arse, small waist, pouty mouth and, of course, the hugest set of knockers you ever wet-dreamed the night away to? Well, such a dream is now an everyday reality thanks to the friendly and innovative sexual perverts over at Abyss Creations, a southern California company located in a town called San Marcos that makes what they call the 'world's finest love doll,' the RealDoll, the ultimate sex toy.

If you have a ton of dough, you can buy one and spend the rest of your life fucking the shit out of 'her' boobs and every other body part that strikes your fornicative fancy! If it sounds too good to be true, anyone can look for themselves on *www.realdoll.com* (do those massive mams look like the real deal or what?) where for nearly fifteen years they have been manufacturing and selling these heavy-hootered dolls, starting at around $5,999 each.

The company has nearly a dozen different body-types, complete with names like Amanda, Leah, Celine and lots of others that customers can mix and match an even higher number of faces. Then you pick and choose whatever hair colour, lip colour, pubic hair type, etc. that you want. Hey presto, instant girlfriend with gigantic gazangas!

Don't smile, son, it's not your cock!

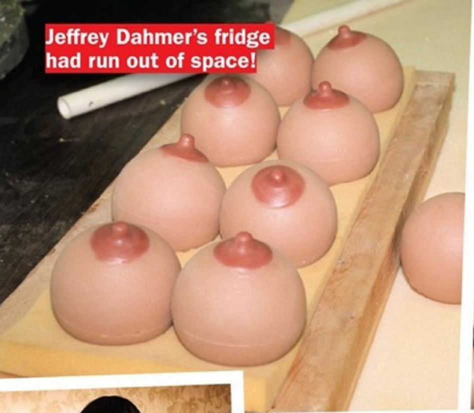
Each doll is made by hand, to the individual customer's order. You get to create your very own fantasy girl or even boy. There's a male doll with a great big cock, and he's even more XXX-pensive.

For nearly a decade and a half Abyss Creations has been toiling in relative anonymity, selling their mega-chesty faux chicks to a small but dedicated group of bust-obsessed buyers. But recently the company got a public re-lay-tions jolt when two big-titted porn star gal-pals, Mary Carey and Samantha Ryan, took a drive down from up north in Los Angeles one day to check out the Realdoll doings.

Mary, of course, known worldwide not just her stack of hardcore movies, but for her notorious run for California Governor two years ago. The blondish Samantha, in cum-parison a relative X-rated novice, having been in porn circles just a relative handful of years, with some 80 X-rated carnal credits.

"I'd heard about this place a lot, but I never really believed what I heard, but every time someone mentioned it, my nipples started to tingle," relates Mary as she leads Samantha into the warehouse-like structure for their first look at where 'life' for Realdolls begin. And from the get-go, each of the porn performers is sexually stupefied. Both porners stand in awe as they immediately find themselves surrounded by dozens of 'people'! Then, without further ado, Mary and Samantha begin checking out the different dolls and expressing their pleasure with the quality of their newfound friends.

"Damn they are fine! Tits, ass, pussy, cock, they have it all!" marvels Mary as the two begin playing with them, licking them



Jeffrey Dahmer's fridge had run out of space!

Who invited Kraftwerk?

and humping on them! One of the company officials comes out to begin the official tour. From the assembly line and the people working on them and everything from start to finish – it's like watching lots of Dr. Frankensteins at work. And at the same time taking the time to show Mary and Samantha just how they are made out of a special formula of silicone that is so jelly-like that all the body parts, and especially the most important sexual ones, feel, bounce, squeeze and pull, just like the real McCoy.

"IT WAS BETTER THAN A LOT OF THE SEX I'VE HAD WITH OTHER PORN STARS"

Finally all the dirty talk and sexual tension is too much for Mary and Samantha, and like most porn stars when they get hot and bothered, they step out of their clothing. And as the girls examine and frolic among the dolls, letting their boobs lead the way, they have nothing but praise for their realism.

"The company calls their sex dolls a 'piece of art', I call them a piece of ass! And so flexible!" coos Mary. In fact, no matter what Samantha and Mary do to the dolls – eating their pussies, licking their nipples, sucking cocks, fingering butt-holes, whatever – they remain totally pliable. "It's as if they have all their dolls doing yoga or something! How funny is that?" cracks Samantha, "However you want to fuck your Realdoll, the doll 'cooperates' – no whining like with some real porn stars if you squeeze her tits too tightly," tosses in Mary with a grin.

Nevertheless, Samantha and Mary, who make their living fucking real people and letting real cocks shoot real loads all over their chests, do want to draw the line somewhere… sort of. "You don't want to give up real people completely, but you might want to cut down on them once you invest in a doll!" intones Mary. High-tech twat put together with Hollywood-standard special effects machinery and equipment – it doesn't get any better!

For Samantha, the experience was also impressive. "When I get home and tell my friends in pornland that I had sex with a clone, they're going to freak out!" she laughs. "But what will really blow their minds is when I tell them that not only was it good, but that it was better than a lot of the sex I've had with other porn stars!"

REBECCA

Hi there, *MensWorld* readers. I know your kind well – I've met many fans of my work on the road and *MensWorld* readers are always the most gracious. Well, I say that, but I have to admit sometimes you guys can be pretty rude. Last time I was in the UK I ran into a few of you at a trade show and things got very out of hand. In fact, you guys are the nastiest!

Wanna hear about it? Okay, well I was over in the UK for a show. I am pretty well travelled – I regularly get out of Barcelona for work and pleasure and last year was no exception. I made a bunch of movies in the States and headed all over Europe to make sure no-one forgot who I was. Trade shows can be pretty dull, I'll square with you, but I came to one in Manchester that blew my mind!

I got there in the afternoon and took my place on the stall I was being paid to be at. I had a pretty good afternoon – lots of fans asking for autographs, and a few who asked for stuff that's way off limits. You get used to people expecting they can say anything to you just cos they've seen you taking two or three cocks at once in a movie, but I'm a pretty shy girl when it comes to meeting people in the flesh. Even in the films I do I have to hang out with the guy (or guys and girls) and get to know them for a bit before I let them start putting their things in me. It's just the way I am!

Anyway, I was at this show and I have to admit I was getting tired and a little bored. After the thousandth photo with a fan I was ready to head back to my hotel room and hit the mini-bar. Then, out of nowhere, this couple showed up at the stall and started asking about my DVDs. They seemed pretty cool, both in their mid-twenties and clearly into their porn.

I'm used to single guys hitting on me when I'm working the trade shows, but the couples are sometimes a bit weird. You get a lot of bald-headed guys in their forties with short-ass pudgy wives who look like they've been dragged there and are wearing what they think is sexy (but in reality makes them look like a tranny dwarf). No offence if you and your wife are one of those weirdo couples, but it's kinda crazy when you see so many of you.

Anyway, this couple were normal. The guy, Pete, said he'd been a fan of my films for a while and his girlfriend, Kelly, had started watching porno with him. They'd been together a couple of years and only recently had she learnt that he was a fan of dirty movies and, rather than giving him marching

orders, she'd started watching them with him and found out it really turned her on. Yeah, don't get all jealous, I guess sometimes it does happen.

She was hot too – a skinny little blonde with a tight body, which she was pretty happy to show off in skinny jeans and a tight T-shirt. Yeah, I'll be honest here – I dig girls as much as guys, often more so. Pete was good-looking, don't get me wrong, but his little galpal was tight and frisky, and I suddenly realised I hadn't had anything other than my own fingers in my pussy for weeks.

As you can imagine, the pair of them were a little shocked when I told em they could come back to my hotel room for a little fun. Man, I was bored and up for anything and at that moment I was willing to try anything. Pete's mouth hung open like he'd just heard he'd won the lottery, and he looked at Kelly to see if the idea of hanging out with a pornstar in her room was acceptable. Luckily, she was as wide-eyed about the prospect as he was, and half an hour later the three of us were swilling cheap Champagne and listening to my iPod back in my poky little room.

Now, what happens when a guy finds himself in a hotel room with a porn star who's busting out of her mini-dress and his girlfriend, whose curves are stretching against her tight clothes? Well, when he's had a few drinks he does what any of you guys would do – he asks us both to dance for him. Kelly and I laughed at Pete's suggestion, but as he sat back on the bed and watched, we pretty quickly found ourselves rubbing up against each other to the music playing on the cheap speakers.

He glugged from his Champagne flute as Kelly's mouth found mine, and we lost ourselves in a long, slow kiss. Kelly was trembling, I could tell at once that she hadn't had an experience like this before, so I gently guided her hand over my body, and brought it to a rest on my ass. She clutched my butt-cheek and I lifted my skirt so she could feel my skin under her fingertips.

I opened my eye to see Pete grappling with his jeans, and within seconds he was pulling at a nicely-sized cock at the sight of his girly snogging a pornstar. I gotta admit, I wanted to feel his dick in my hand but I had a feeling that might be going a bit too far for Kelly, so I kept on at her while he wanked away. I pulled her T-shirt over her head and grabbed her big, full tits in my hands, squishing

I LICKED HER FROM ASSHOLE TO CLIT, UP AND DOWN, UNTIL SHE SQUEALED them and pulling her bra to one side so I could suck her hard, pink nipples.

Kelly and I dropped to the floor and started making out in earnest at that point. We had each other's clothes off in no time, sucking and biting at each other's skin as we got down to our bare essentials. I pushed her back on the rug and splayed her legs, burying my face in that cute blonde's snatch and licking it from her asshole to clit, up and down, till she squealed. She was neatly waxed and her pussy was already dripping yummy juice by the time I got my lips to it. Within just a couple of minutes she was bucking her hips and grabbing the back of my head while she rubbed her slick lips against my tongue in orgasmic ecstasy. Say what you like about uptight Brit girls, once you peel them out of their panties they can't get enough loving!

Of course, the second she'd finished coming she couldn't wait to get her mouth on my cunt, and I wasn't gonna stop her. I could tell Pete was furiously strumming away in the background as we swapped positions on the floor, and I would have really liked to taste his dick while she was eating me out, but I had to settle for getting my body sprayed with thick, hot jizz while Kelly stuck her tongue deep in my pussy.

That set me off – as soon as Pete's cum splattered over me and Kelly I started to orgasm, screaming as she ground her jaw against my crotch. Pete's cum was in my hair, my face, all over my tits, and all up Kelly's back too, and he almost collapsed as he squeezed the last drops out of his dick.

Ten minutes later, the three of us were dressed again. Kelly had changed from being a sex-mad whore to anxious girlfriend, and she pulled Pete back into his clothes and made some excuse about work in the morning. Within another ten minutes, the sweet couple who'd given me something great to remember from my stay in Manchester were gone, no numbers swapped, and with Pete looking sheepish as she led him out the door. I guess it was a moment of unbridled passion, and one I doubt would ever happen to them again. Me? I was annoyed I didn't get any cock in me, but I fixed that little problem at the hotel bar later that night. But that's another story entirely…

HER PUSSY WAS ALREADY DRIPPING YUMMY JUICE BY THE TIME I GOT MY LIPS TO IT

ZANETA

PHOTOGRAPHY: A. HAYEK

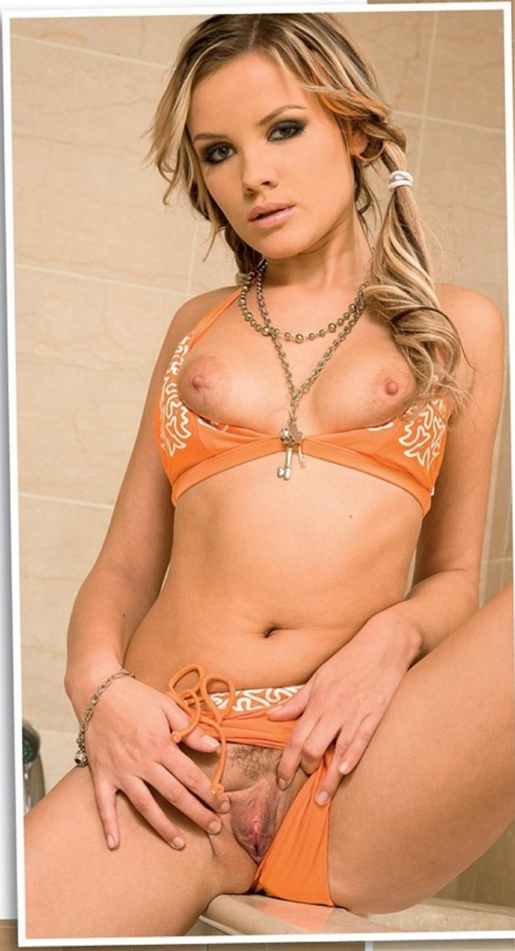
She's cute, she's got a lovely little body, and she likes to hang out in the bathroom, but what else can we tell you about Zaneta, a sexy Euro-hottie who we're proud to see making her inaugural appearance in *MensWorld*?

Well she used to call herself Summer, but thankfully she's binned that particular moniker, as with all this freezing weather, snow, rain and general sky-based misery, calling her that would only look like we were trying to take the piss.

Her new and rather less catchy name is Spanish and apparently means 'God's Gift', which is fairly appropriate considering she looks like the kind of fallen angel you might pray would descend from the heavens and land in your bedroom.

Other additions to the Zaneta fact-file would have to include that she's great to work with, enjoys a good laugh, and she had a tuna salad sandwich for lunch.

Oh, and she's fucking gorgeous, but you already knew that, right?



CONTINUED FROM PAGE 13

clamped her head between my thighs. I was cumming. Then, as if to smother my grunts and groans, Evie swung her body around and plumped her clenched arse down on my face. "Lick it, you bitch!" she hissed, as she tugged her thong aside and ground her dripping snatch down onto my tongue. Her pungent pussy tang intensified my climax.

We lay on the bed, our perspiring bodies entwined, breathless from the relief of our frustrations, and we began to make proper love, our tongues exploring every inch of each other's body, nipples and clits like rugged islands in a sea of soft swollen flesh, disturbed only by the tremors of orgasm.

Sex with Evie was uncharted territory, a forbidden fruit, and the novelty was exciting. And just when I thought I was cured of my longing for cock, Evie produced her double-ended dildo.

I asked her to get her camera. I wanted a photo to send to Adam, a picture of two chicks with their own girl-cock, both of us simultaneously impaled on either end, thrusting back and forth in rhythm, orgasming in unison and having the time of our lives.

SO NEAR, SO SPA!

I work in a health spa, and when my boss is away, one of my duties is to make sure everything's properly locked up for the night. One evening recently I took advantage of the fact by luxuriating naked alone in the swimming pool. Actually, I did more than that. Being the naughty minx that I am, I fingered myself to orgasm imagining a sexual encounter with my boss.

As I bobbed about in the shallow end, with two fingers of one hand deep inside my slit and two from my other hand massaging my clit, I let my mind drift and get lost in my fantasy fuck scenario. In it I was in the same situation, playing with my pussy after hours in the pool... Suddenly I heard a door slam. Looking up, to my complete horror, I saw my boss, Dean. He didn't look at all angry, though. Quite the opposite, in fact, judging by his wide grin. While it was obvious he was enjoying the show, to be on the safe side I stopped what I was doing and feigned horror. "Oh my God!" I said. "I'm so sorry! It won't happen again! Please don't fire me!"

"Fire you?" Dean said, "I'd rather fuck you!"

Turning on my actress skills again, I pretend to be embarrassed by his suggestion. "I'm really not that kind of girl, sir."

"Really?" he replied. "You could have fooled me, wanking yourself naked in my swimming pool."

He was smiling when he said it, so I stopped messing with him and said, "Okay, guilty as charged. So – about that fuck you mentioned..."

In a flash, Dean was out of his clothes and standing over me, cock in hand. Now let me tell you, while

MY CUNT LIPS PARTED AND SWALLOWED HIS FAT DICK

for many girls, penis size may not matter, I'm completely size obsessed, and won't let a man inside my holes unless he's brandishing at least eight inches of sex pistol – and it has to be thick, too. Luckily for my boss – and me as well – he more than measured up.

"Sit on the edge of the pool," I said.

He did, and I turned around in the water so that my mouth was an inch away from his cock-head. I flicked my tongue teasingly against the tip until a pearl of pre-cum appeared. "Mmm," I said, before slipping the tip of my tongue in his hole to taste it. Dean shuddered, and I grabbed his cock by its base, wrapped my lips around it and slowly slid my mouth down it until my lower lip was nudging his sac. Then I wrapped my arms around the outside of his thighs, and started bobbing on and off his swollen member.

"God, you're good," my boss managed to say between groans.

Pulling my mouth off his gorgeous cock, I said, "I know, but now I want to know how good you are – so fuck me!"

I moved back so Dean could slip into the water. Then I turned my back on him to let him take over. He grabbed me by the waist and pulled me toward him. With his hands holding me afloat, he bumped his cock-head against my pussy slit. I was soaking wet inside as well as out, so my cunt lips parted and swallowed the first few inches of his fat dick.

Just as I was wondering how great it would feel to have his hugeness inside me to the max, he suddenly let me know, slamming me onto his knob and holding me there. Then, aided by my buoyancy in the water, he started moving me in a circular motion around his dick. The sensations created by having my cunt rotated on a man's dick were sensational. I felt as though every nerve ending in my body had been exposed, and I knew that if we carried on like this much longer, I was going to cum really quickly. Sure enough, mere moments later an orgasm hit me so hard I started splashing about in the water, my arms flailing wildly. My boss held me tightly on his cock as he too came.

In reality, having fingered myself to climax, I lay alone in the pool regaining my breath when suddenly I heard a door slam…

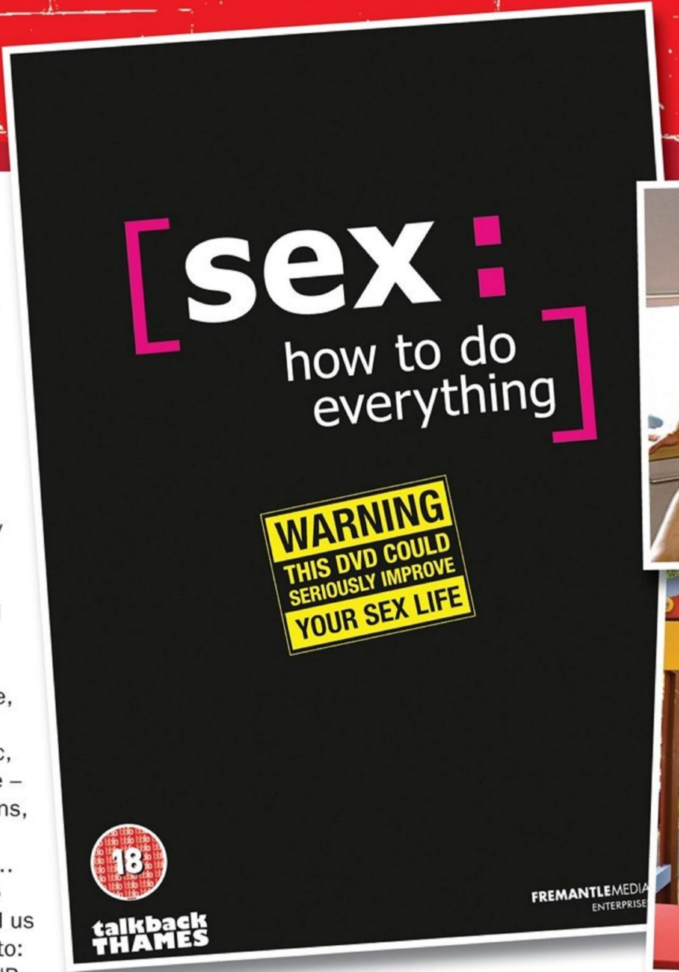
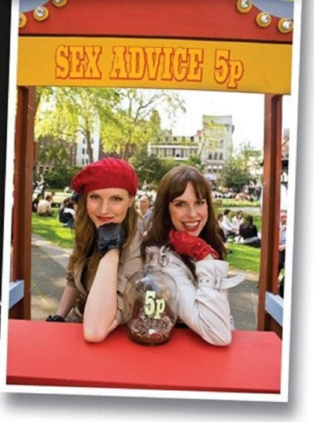
Sex: How To Do Everything

Freemantle, £24.99

Sex in these modern and progressive times is a fucking minefield. Are you doing it right? Are you doing it enough? Are you doing it in a variety of positions? Honestly, questions, questions, questions… In order to help us meet the demands of this liberated era in the bedroom – or in the living room, or on the dining table, or on a roundabout in Kettering – a plethora of so-called 'sex gurus' have popped up, offering advice that promises to seriously improve our sex lives.

Two such gurus are Emma Taylor and Lorelei Sharkey – Em and Lo to their friends – American sexperts who have written books, set up websites, penned columns for the *Guardian*, and made this nine-part TV series, all in a quest to educate and inspire people into getting the most from their erotic encounters. In *Sex: How To Do Everything*, each episode explores a different theme, ranging all the way from Seduction to Anal Sex, and features interviews with random members of the public, both in the audience and on the streets, a keen couple – Georgie and Dougie – on hand to try out all the positions, not to mention engaging and enthusiastic hosts in the irrepressible Em and Lo. Watch and learn, as they say… We've got five box sets of *Sex: How To Do Everything* to give away. To be in with a chance of winning, simply tell us the most unusual place you've ever had sex. Answers to: *MensWorld*, 3rd Floor, 207 Old Street, London EC1V 9NR.





Miss March

20th Century Fox, £15.99

Picture the scene. So you're at College and you've got the perfect girlfriend. All is going well. However, just when you're about to fuck her for the first time at an end of year graduation party, you get drunk, fall down a flight of stairs and get knocked into a coma, only to wake up four years later to find that said girlfriend is now a *Playboy* centrefold and apparently putting it about all over town.

Admittedly, it's a slightly far-fetched scenario, but that's what happens in *Miss March*, a film so heavily panned by critics that I'm surprised the movie itself hasn't fallen into a coma.

Whether you think this brutal critical hammering was fair would most likely depend on your attitude to comedy. If you enjoy subtlety in your jokes and carefully constructed, thoughtful humour, then you're really going to hate this movie. But if you like the idea of someone not being able to stop shitting their pants, and enjoy gags about epilepsy, stabbing people with forks and lesbians, then *Miss March* could easily be your vision of a masterpiece.

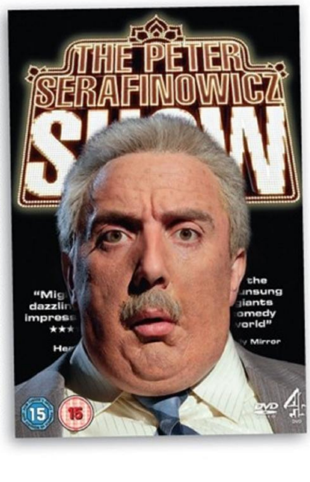
The Peter Serafinowicz Show

4DVD, £19.99

The fact that the tiresome shitcom *My Family* is still managing to lug its withered old corpse around the BBC1 prime time slots is a constant source of irritation to us here at *MensWorld*. But every now and again a shaft of light penetrates the cack-flecked fug of the TV listings, and Peter Serafinowicz has been responsible for at least a couple of these much-welcome beacons of quality and humour.

The two series' of 70s style *Tomorrow's World* type parody, *Look Around You*, were innovative, offbeat and packed with laughs – themes that continued into this sketch-based offering, *The Peter Serafinowicz Show*.

Featuring his fine impressions of the likes of Kevin Spacey, Michael Caine and Robert De Niro for the rather surreal 'Acting Masterclass' alongside Serafinowicz's own creations such as malfunctioning robot talk show host Michael-6 and general tit Brian Butterfield, this is the kind of hit-or-miss but often hilarious melting pot of scattergun creativity that you so rarely see on the box.



The Girlfriend Experience

John Blake Publishing, £11.99

The success former prostitute 'Belle De Jour' enjoyed with her online blog *Diary of a London Call Girl* certainly served to highlight the general curiosity that surrounds the life of the professional escort. Shrouded in myth, and preconceptions, it's understandable that people are keen to find out more about this most intriguing of careers, and if you're one of those people then look no further than what is essentially a 'warts and all' insight from a woman who has been there and seen it all.

Far from simply providing a 'fucks for bucks' service, Rebecca 'Bea' Dakin refers to herself as a 'hired girlfriend', where the client might wine her, dine her, spend the night with her, or even take her away for a romantic weekend, and in which the sex is only one part of the date. Indeed, if Rebecca doesn't choose to allow it, then sex doesn't necessarily happen at all.

Rebecca has accumulated plenty of stories, from the grim to the glamorous, to the very, very funny, and she isn't shy to recount them here in intimate detail.

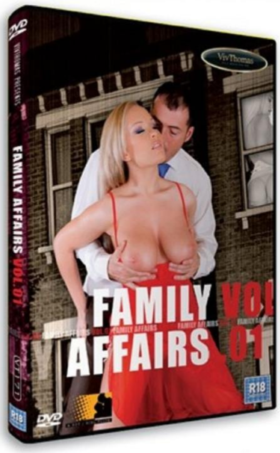
MUCKY MOVIES

Family Affairs Vol. 1 **Viv Thomas**



Family Affairs was a soap opera aired on channel five for eight years before getting canned in 2005, and fans of the series might be a little annoyed that this DVD isn't a compilation of highlights from the early episodes. However, lovers of glossy boy/girl porn featuring some very attractive women will on the other hand be very happy, because that is in fact what this disc is all about.

More 'affairs in general' than family affairs, it kicks off with curvaceous MILF Tanya Tate cheating on her husband with some bloke at the gym. They work up a sweat amongst the apparatus before said fuck buddy spots her a heavy load.

Blonde hottie Katrin Wolf is next up. She wants a divorce from her hubby, and if she has to fuck her lawyer for his services then she's more than happy to do so with enthusiasm.

Carla Cox is probably the cutest girl on this DVD, and she plays the slutty Boss's daughter to perfection, all pigtails and smiles as she rides one of daddy's clients to climax.

Two very sexy lesbian scenes follow, with two brunettes – Tina Gabriel and Goldie – getting intimate in the bath, and 'students' Zara and Eve Smile apparently sharing their first kiss, although the saucy shenanigans they get up to suggest they're no strangers to this kind of activity.

Family Affairs is Viv Thomas doing exactly what he does best – shooting great looking girls having great sex.

The Divorcee
Smash Pictures

You can understand that a woman might enjoy a new lease of life after she's freed herself from a stale marriage, but surely the divorce hearing itself isn't the time or the place to start fucking anything that moves? Well, try telling that to the likes of Diamond Foxxx, Monique Fuentes and Phoenix Marie, beautiful women who have binned their hubbies and who aren't wasting any time enjoying their newly found singleton status.

The aforementioned Diamond Foxxx gets us started, the blonde slut seducing her husband's lawyer in order to get a better settlement. And that she does, but not before taking his cock in cowgirl and missionary, and then copping a mouthful of spunk to seal the deal.

Up next is Judge Ron Jeremy, a man who is to porn what Bruce Forsyth is to light entertainment,. Like Brucie, the evergreen rogerer hasn't lost any of his vim and vigour, and he teaches Latina stunner Monique Fuentes a thing or two, lunching on her pussy and pumping her in doggy before shooting on to her neatly-shaven mound. The courtroom action continues apace with bespectacled babe Phoenix Marie getting interrogated from a number of angles and sexy slut Avy Scott using all her carnal expertise to avoid getting a jail sentence. All rise!

Suck It Bitch
Harmony

With 16 girls, 15 scenes and over five hours of cock-sucking over two DVDs, it's difficult to know where to start, so I'm going to begin at the beginning with busty pocket-sized princess, Aiden Starr. Scantily clad to the point where she might as well have gone out naked, she sucks a bloke off down an alleyway and takes his load in her mouth, setting the scene nicely for the myriad of blow-jobs to come.

Sultry brunette Dana DeArmond goes all soft-focus on us for scene two, teasing us with her gorgeous arse and pussy. Suddenly she's got two hard dicks to contend with, and she does so with vigour, skilfully making both pop into her mouth like a double barrel spunk gun.

So you get the picture – *Suck It Bitch* is essentially a series of hot girls flaunting their wares before sucking one, two and even three cocks in a variety of scenarios, and taking pop shots to tits, tongue and face.

The finale is a two-girl cock share and a cum-drenched kiss between dirty duo Denice K and Felecia. Following the likes of Ashlyn Rae, Evie Delatosso and Devon Lee was never going to be easy, but the boner-loving babes suck it off in style, faces coated in cum after a job well done.

NOT SAFE FOR WORK

THE INTERNET IS USEFUL FOR A GREAT MANY THINGS, LIKE CHECKING THE LATEST NEWS, BUYING CRAP YOU REALLY DON'T NEED AND KEEPING UP TO DATE WITH YOUR VIRTUAL 'FRIENDS'. PERSONALLY, WE LIKE USING IT TO PLAY GAMES, LOOK AT PORN AND WASTE TIME WHEN WE SHOULD BE WORKING. HERE ARE SOME OF THE BEST SITES WE'VE FOUND...

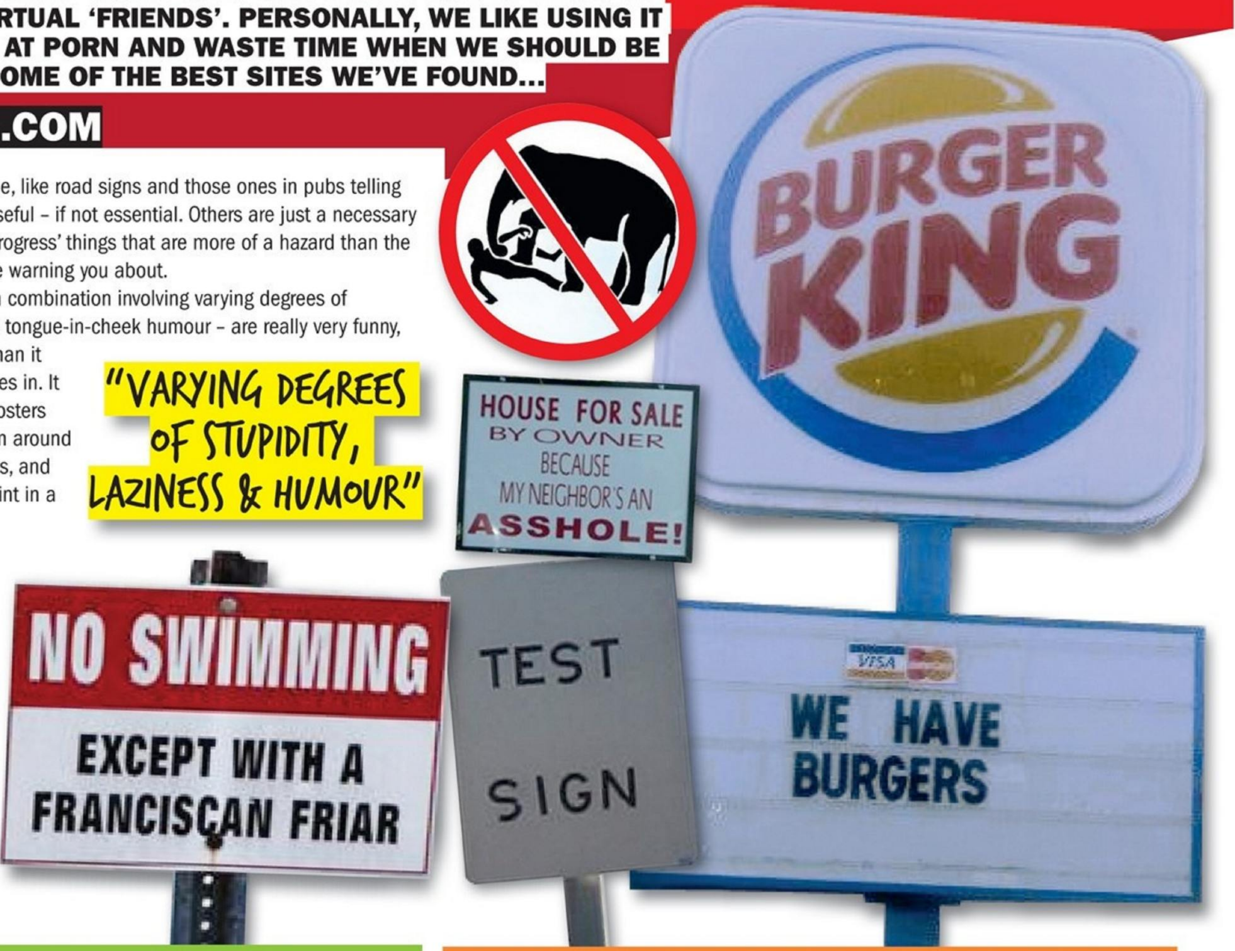
ODDLYSPECIFIC.COM

Signs. Everywhere, aren't they? Some, like road signs and those ones in pubs telling you where the toilets are, are very useful – if not essential. Others are just a necessary evil, like those bloody 'Cleaning In Progress' things that are more of a hazard than the slippery floor they're supposed to be warning you about.

However, some signs – thanks to a combination involving varying degrees of officiousness, stupidity, laziness and tongue-in-cheek humour – are really very funny, and that's where this 'much better than it sounds on the surface' website comes in. It simply gathers together signs and posters spotted and submitted by users from around the world. Many of them are hilarious, and most of them specific and to the point in a way that can only be described as wholly unnecessary.

From the Burger King drive-in proudly boasting the fact that 'WE HAVE BURGERS' in giant letters for the benefit of passing motorists to the bloke who is selling his house 'BECAUSE HIS NEIGHBOUR'S AN ASSHOLE', this site is all about the celebration of signage that is often very forthright and mostly bafflingly obvious. Although what the 'Caution Nuns At Play' warning is all about I've got no idea...

"VARYING DEGREES OF STUPIDITY, LAZINESS & HUMOUR"



FATCATLOVER.BLOGSPOT.COM

It's a fact of life that big fat cats are just bloody hilarious. Whether they're just sat there like giant furry cushions with their swollen bellies on display, or actually in motion, trying to heft their unnatural weight over even the smallest of obstacles and generally attracting derision from other more slender examples of the species, the sighting of a super-sized pussy is always guaranteed to raise a giggle. Hence, this site is a fucking goldmine, gathering together as it does funny picture after funny picture of moggies that have very obviously been binging too heavily on the full fat Felix. That some of these previously sleek felines have allowed themselves to turn into inflated oafs is obviously an unnatural disgrace, but they do all look suspiciously content.

HOTCHICKSPLUNGINGTHEIRTOILETS.COM

All regular users of the web will know that alongside all the useful stuff is a massive amount of random meaningless crap. However, random meaningless crap can also be highly entertaining, which is certainly the case with the decidedly offbeat *hotchicksplungingtheirtoilets.com*. Okay, this is just a site featuring pictures of hot chicks plunging their toilets, but there's something strangely life-enhancing about seeing some sexy bird in a bikini grinning away as she shoulders away at her pan as though trying to shunt a particularly hefty log through the u-bend. In conclusion: niche.

AIRBRUSHED FOR CHANGE
Read our plan for change at mydavidcameron.com

Was David Cameron's face given the airbrush treatment on a recent Conservative election campaign poster? Although it's not like politicians to try and mislead the public, the smooth skin and defined jawline suggested that everyone's favourite Eton graduate may have had some minor surgery for the image that appeared on billboards across the UK a few months ago. The backlash began with stories in the papers, but by far the best and most anarchic response is to be found at *mydavidcameron.com*. Download a special copy of the poster from the site – special in that as well as featuring the 'airbrushed' Cameron image, the campaign slogan 'We can't go on like this. I'll cut the deficit, not the NHS' has been scrubbed out for you to replace with your own effort. Do your worst and upload your works to the site.

THENETHERREGIONS.CO.UK

Local papers are worth a read purely for the funny headlines and tedious stories that are splashed across their pages; the product of bored desk editors and slow news weeks in towns across the UK. 'Grandmother of Five Found in Cupboard', 'Alsatian Barks National Anthem', 'Local Man Eats Sandwich' – all examples that couldhave been found in this week's *Grimsby Gazette*. *Thenetherregions.co.uk* sifts through these provincial rags and posts the best stories and headlines for our general amusement. Entries include '£900 FINE FOR THE CAR PARK FLASHER', which involves a man getting busted for wearing see-through tights in public, 'GUIDE DOG HAMISH IS 'TOO SMELLY' FOR CAFÉ', which is fairly self-explanatory, and the inspired 'WHITSTABLE MUM IN CUSTARD SHORTAGE'. Banal and brilliant.

Whitstable mum in custard shortage

ADRIANA

PHOTOGRAPHY: RUDEBOY

Adriana Malkova arrived on the scene a few years ago and immediately created a right old hullabaloo with her glamorous looks, curvy body and natural boobs.

Since then, the Czech hottie has been busying herself making men very happy through her many appearances in magazines – the best of which were obviously in *MensWorld* – and various mucky movies, becoming famous to the point that she can demand to be whisked away to a far-flung island and be snapped in the beautiful sunshine amidst exotic plants and comfortable wicker sofas.

The high-life indeed, and quite a sight for sore eyes for Team *MensWorld*, when all we can see from the windows of our London offices are grey skies, tower blocks that look like something from an Orwellian nightmare, and, ahem, a roundabout – and that's only when we're permitted to have the blinds open.

You see, that's the problem with this job. When the shoots are round at someone's flat or in a hotel room in Dulwich, then the photographers are always more than happy to have us come along and offer our 'invaluable advice'.

However, when the snappers are presented with the prospect of being alone in some distant paradise with just a camera and a gorgeous, naked model for company, the invitation never seems to come. Strange that, isn't it?

But I don't want to complain too much, as at least we get to see the fruits of their labour, and for that I think we should all be very grateful…

FAT COMP

Me and my footy mates had this competition recently where we had to try and pull the fattest bird possible, shag her, and then steal a pair of her knickers. The winner was to be the man who displayed the largest undies in the boozer the following Friday, and the grand prize was free drinks all night.

So, after a pub-crawl around town to help with the beer goggles, we hit the tackiest meat-market in Newcastle to commence battle, quickly breaking ranks in an attempt to be the first to find the lardiest girl in the place. In no time Steve had latched on to some tubby lass who had squeezed herself into a dress that was at least two sizes too small for her, and Danny was already dancing with some bird who looked a bit like a young Fern Britten.

I wandered upstairs to get a bird's-eye view of the clientele, and that's when I spied her at the bar, dressed in a jeans and tight top combo that couldn't contain several spare tyres and the crack of her huge arse, the top of her black thong on display. I pictured myself showing it off as a trophy in the pub like a giant fucking slingshot.

Pushing in next to her at the bar, I asked if I could buy her a drink. She eagerly accepted and asked for a Malibu and Diet Coke. Diet Coke! Talk about shutting the gate after the horse has bolted. We got chatting and had a little dance and a snog. She told me her name was Jenny and seemed like a nice enough girl, although I must say I was beginning to have some reservations about screwing such a big lass.

However, with the wager in mind I left the club with a cheeky wink at my best mate, Ben, who was busy charming some weighty boiler, and got a cab with Jenny back to hers. She was all over me in the back of the taxi, pressing her fleshy body against mine. The rolls of flab spilled over the sides of her jeans and she had these bingo wings that hung down from her arms. Away from the bravado and camaraderie of the lads, this suddenly didn't seem like such a good idea after all.

We got into her flat and she began tugging off my jacket and trying to pull my jumper over my head. Honestly, she was keen as mustard. Then Jenny took her top off and I winced at the sight; but this was the point of no return. I didn't know whether to laugh or cry. She stripped the rest of her clothes off and I was agog, the only thing spurring me on the sight of that huge G-string memento on the floor. Jenny wobbled over to me, yanked my jeans and boxers down, and pushed me back and straddled me on the sofa.

Somehow, she managed to wank me to hardness, slip a Johnny on my cock and manoeuvre it through her huge thighs and into her soaking pussy. I was numb. The weight was unbearable as she hefted up and down, and I could feel my dick drooping as her flesh made all these squelching noises. It was too much.

I told her that I needed to go for a piss, and she awkwardly shifted off me. I quickly pulled my jeans up, grabbed my clothes and made a run for the door, banging it behind me and scarpering. It only occurred to me later that I'd forgotten to swipe the fat fucker's giant undies!

In the pub the lads wouldn't believe my story, and the prize went to Danny, who'd pulled the Fern Britten lookalike. Apparently she was a right goer, and he'd even seen her again since. To be fair, I've been seeing quite a lot of Jenny since, too – in my nightmares!

POKE HER NIGHT

The letters on your *Ungentlemanly Conduct* pages mostly seem to be about blokes doing dodgy stuff on one-night stands. Surely I'm not on my own in thinking that men who have been with someone for years must be the worst offenders when it comes to treating their other halves badly. After all, you get a bit lax once you start taking each other for granted.

I've certainly done quite a few 'ungentlemanly' things to my wife of 12 years, like the times I've booked tables at fancy restaurants for our anniversaries and turned up late and pissed because I've been drinking with the boys after work.

Then there was the time when the cat shit in the kitchen and I hid it in her coat pocket for a laugh – she went mad about that one – not to mention the occasion I threw up on her while we were having drunken sex. Well, I was drunk anyway…

However, something I did the other week pretty much trumped the lot. Every now and again me and the lads have poker nights round at each other's houses, and it was my turn to host. Fiona usually goes out with her friends on such evenings, because she knows how pissed we all get, but on this occasion she'd decided to stay in and watch telly in the bedroom.

I THREW UP ON HER DURING DRUNKEN SEX. WELL, I WAS DRUNK…

We were about nine cans in and I was losing heavily. A few of the guys take these evenings fairly seriously and it it's not unusual to ship £50 quid or so on the night. At last I got a good hand – a full house, queens over tens – and I made a flippant remark that if anyone beat me on this one then they could go upstairs and fuck my wife. It was a horrible thing to say, but I was leathered.

Anyway, Tony turned me over with a straight flush – where the fucker got that from I'll never know – scooped up the pot and left the table. I just figured he'd gone for a piss. It was only when I heard the scream that the penny dropped. I dashed upstairs and Tony was stood next to the bed with his cock in his hand, and the missus was over by the window, duvet clutched tightly around her, looking bloody terrified. Apparently a hammered Tony had just burst in, expecting to claim his bonus pot.

I quickly called an end to the evening and shepherded the gang out of the house, but the wife went up the wall and has only very recently been able to joke about her rude awakening. Needless to say, poker nights around ours have now been banned!
